# LING ZHAO

PhD Student in Biology | Yang Lab | Temple University
ling.zhao@temple.edu

## EDUCATION

**Temple University- Philadelphia, PA.United States** ***Aug 2026 - Present***
PhD in Biology

**Chengdu University of Traditional Chinese Medicine- Chengdu,China** ***Sep 2018 - Jun 2022***
Bachelor of Science in Optometry

## PROFESSIONAL EXPERIENCE

**Laboratory Assistant** ***Apr 2026 – Jun 2026***
*Chengdu University of Traditional Chinese Medicine*
Assisted with cell culture, PCR, plasmid extraction, and sample preparation for molecular and cellular biology experiments.

**Associate Scientist** ***Nov 2024 – Mar 2026***
*Kindstar Global Medical Group*
Developed and standardized laboratory SOPs to support reproducibility and consistent documentation; synthesized scientific literature and provided technical guidance on assay performance and data interpretation.

**Ophthalmic Clinical Data Analyst** ***Jun 2022 – Sep 2024***
*Sichuan Hesheng Vision Technology Company*
Performed quantitative analysis of clinical and imaging data, evaluated image quality and procedural consistency across study sites, and maintained research databases for multicenter ophthalmic studies.

## RESEARCH SKILLS

**Laboratory techniques:** Experience assisting with cell culture, PCR, plasmid extraction, and sample preparation.

**Data analysis and management:** Quantitative analysis of clinical ophthalmic data, research database maintenance, and data summary preparation.

**Quality and documentation:** Laboratory SOP development and revision, clinical laboratory quality control, and multicenter study documentation.
